

Preferred Maintenance Guide

About This Guide

This Kia vehicle maintenance guide indicates the scheduled maintenance required for your car or truck as outlined in Kia's Scheduled Maintenance Guide. Proper maintenance guards against major repair expenses resulting from neglect or inadequate maintenance and may help increase the value you receive when you sell or trade your vehicle.

It is your responsibility to make sure that all of the scheduled maintenance is performed and that the materials used meet Kia engineering specifications. Damage or failures due to lack of proper maintenance or neglect are not covered under warranty. For information regarding special operating conditions that may increase the frequency of maintenance, see the Kia Scheduled Maintenance Guide.

Service Appointments

Please make a service appointment before dropping your vehicle off. This will help us give you and your vehicle quality service in a timely manner.

Early Bird/ After Hours Drop Off

Not only do we service KIA vehicles, but our factory-trained ASE Certified Technicians can perform service on ANY vehicle. Let our Service Advisers and Technicians take care of all your service needs regardless of what you drive.

Shuttle Service

A local shuttle service is available for your convenience within a 10-mile radius

KIA ROADSIDE ASSISTANCE

1-800-333-4542

If your vehicle is still under factory warranty, this number must be called prior to having your vehicle towed, or the towing charges will not be paid by Kia Motors. The charges will be owner's responsibility.

KIA Store Rainbow City

KIA Store Anniston
